5 HAWKEYES COMPETE AT NCAA REGIONALS

The University of Iowa women's gymnastics team concluded the 2014 season at the NCAA Regionals in Minneapolis, as five Hawkeyes were selected for NCAA Regional competition. Sophomore Alie Glover, freshman Angel Metcalf, and junior Sydney Hoerr were selected as all-around competitors, while freshman Mollie Drenth competed on floor. Sophomore Maryah Huntley was selected as the alternate behind Drenth on floor. Competition took place April 5 in Minneapolis.

The University of Oklahoma (197.725) and University of Illinois (196.600) qualified for the NCAA Championships. Other teams competing at the Minneapolis Regional included the University of Minnesota (196.350), University of California (195.700), Southern Utah University (195.150), and San Jose State University (193.950).

Glover completed the night with a 39.075 in the all-around, followed closely by teammates Hoerr and Metcalf who tallied 38.700 and 38.125, respectively. Glover fell just short of qualifying for the NCAA Championships, finishing fourth in the all-around among those not on qualifying teams. Metcalf took 15th on bars (9.800), while Glover came in fifth on beam with a 9.875. Glover and Drenth finished in the top-20 on floor, both registering 9.800.

3 GYMNAWS NAMED ACADEMIC ALL-BIG TEN

Juniors Sydney Hoerr and Caitlin Tanzer and sophomore Alie Glover were named Academic All-Big Ten honorees. Hoerr, a Bloomington, Ill. native, is a health and human physiology major. Tanzer is a business major from Naperville, Ill., and Glover studies pre-physical therapy and is a native of Destin, Fla.

HOERR NAMED ALL-BIG TEN:

Junior Sydney Hoerr was named second team All-Big Ten on March 18. All-conference teams were determined by regional qualifying scores. Hoerr, an Academic All-Big Ten honoree, is a junior from Bloomington, Ill. She was named to the 2014 Big Ten Gymnasts to Watch List in December. Hoerr registered Iowa's individual season bests on the uneven bars (9.900 at Iowa State, March 7) and floor exercise (9.875 at Georgia, Jan. 20) this season. She competed in all 12 meets in addition to NCAA Regionals, while competing in the all-around in seven competitions. Hoerr leads Iowa on the bars with a regional qualifying score of 9.855, tying for 54th nationally.

IOWA SELECTED TO HOST 2016 NCAA REGIONAL

The University of Iowa and Carver-Hawkeye Arena have been selected to host a 2016 NCAA Regional (April 2, 2016) in women's gymnastics. Iowa last hosted an NCAA Regional in 2009.

THE BASICS

Six gymnasts perform on each of the four events: vault, uneven bars, balance beam, and floor exercise. The five highest scores per event comprise the cumulative team total. Top teams score above 195 out of a perfect score of 200.

Each routine has a start value of 9.5. In order to reach a maximum start value of 10.0, the gymnast must earn bonus points for difficult skills and combinations. The difficulty of skills are ranked from A-E, with "E" being the most difficult. A "D" skill is worth one-tenth of bonus points, while an "E" element is worth two-tenths of bonus. The gymnast also receives bonus for performing a connection of skills, called combination bonus.

JUDGING

Uneven bars, balance beam, and floor exercise are judged with a rating system evaluating each element on the following scale:

- A - basic element
- B - element with partial difficulty
- C - element with higher difficulty
- D - element with very high difficulty
- E - element with highest difficulty

Routines require the following to start from a 9.5 base value:
3 "A" elements, 3 "B" elements, and two "C" elements.

SPECIAL DEDUCTIONS

- * Out of bounds on the floor exercise, -0.1 each time
- * Overtime in balance beam routine (over 90 seconds), -0.2
- * Fall off apparatus, -0.5 each time
- * Wobble on beam, -0.1 to -0.3, depending on degree of wobble
- * An extra step on landing, -0.1
- * Insufficient artistry of presentation, up to -0.3
- * Relaxed posture throughout the exercise, up to -0.2

VAULT

Vaulting requires speed, quickness and explosive power. The gymnast is allowed to perform only one vault, with the exception of NCAA Championship vault final qualifications. Vaults have assigned maximum difficulty ranging from 8.6 to 10.0. Deductions are taken for technical errors in four phases: the approach, contact with the vaulting table, height and distance from the table, and the landing. Specific deductions include up to 0.5 for body position faults, 0.1-0.4 for steps on the landing, and up to 0.3 for an off-center landing. Additionally, if the coach assists the athlete at any time during the vault, the athlete will receive a score of 0.0. Some common vaults in collegiate competition include:

Roundoff back handspring, layout.....	9.80 start value
Roundoff back handspring, layout half twist.....	10.0 start value
Roundoff back handspring, layout full twist.....	10.0 start value
Handspring front tuck.....	9.80 start value
Handspring front tuck half twist.....	9.90 start value
Handspring front tuck full twist.....	10.0 start value
Handspring front pike.....	9.90 start value
Tsukahara layout.....	9.80 start value
Tsukahara layout half twist.....	10.0 start value
Tsukahara layout full twist.....	10.0 start value
Roundoff half twist on, front tuck.....	9.90 start value
Roundoff half twist on, front pike.....	10.0 start value

UNEVEN BARS

This event combines the gymnast's strength and agility as the gymnast must maintain a flowing and consistent rhythm. A bar routine must include a mount, two release moves, a directional change, and a dismount. Bonus points are awarded through release moves, dismounts, and performing difficult elements in a series.

BALANCE BEAM

The balance beam is 16 feet long, four feet high, and only four inches wide. Performing on the beam requires precise movement and intense concentration. A beam routine should be between 70 and 90 seconds long and include a tumbling series, a leap series, a mount and a dismount.

Composition Requirements:

- * Full turn
- * Large leap or jump (180 degree split)
- * Acrobatic series with two or more flight skills
- * Dance series
- * Minimum of a "C" level dismount

FLOOR EXERCISE

This is the "glamour" event in women's gymnastics that combines tumbling, dance, and interpretation of music. Floor routines must contain at least two tumbling passes (one with two flips) and a series of two leaps all choreographed to music. Floor exercise has become not only one of the most beautiful of athletic events, but one of the most daring and exciting as well.

Composition Requirements:

- * Dance series with two elements
- * Two tumbling series with one having at least two saltos
- * Three different saltos within the exercise
- * Minimum of "C" level dismount in combination or "D" level skill

LARISSA LIBBY
**HEAD COACH
11TH SEASON**

Larissa Libby enters her 11th year as head coach, and 15th year overall, at the University of Iowa in 2014-15.

In 2014, six Hawkeyes were selected for NCAA Regional competition. Sophomore Alie Glover, freshman Angel Metcalf, and junior Sydney Hoerr were selected as all-around competitors, while freshman Jordyn Doherty was chosen to compete on vault and freshman Mollie Drenth competed on floor. Sophomore Maryah Huntley was selected as the alternate behind Drenth on floor. Libby coached junior Sydney Hoerr to second team All-Big Ten honors, while Hoerr, junior Caitlin Tanzer and sophomore Alie Glover earned Academic All-Big Ten honors.

Libby led Iowa to its sixth-consecutive NCAA postseason appearance, the seventh in her tenure, during her ninth year as head coach in 2013. The Hawkeyes finished sixth in the Norman Regional, posting 194.475. In the regular season, Iowa clinched the Cy-Hawk Series, defeating Iowa State with a season-best, 196.375-194.575. Iowa was the only Big Ten team to down Minnesota, the regular season Big Ten Co-Champions. The Hawkeyes beat the Gophers, 195.725-195.550.

Under Libby's guidance, Iowa finished its 2013 homestand undefeated. The Hawkeyes recorded their highest-ever average home attendance (1,414), drawing a season-high 2,303 fans against Iowa State. Iowa found success off the floor as well, as four GymHawks, Sydney Hoerr, Emma Stevenson, Kaitlynn Urano and Emma Willis, received Academic All-Big Ten honors.

In 2012, the Hawkeyes finished the season ranked 26th nationally, the highest finish since 2004. Libby coached Tesla Cox to second team All-Big Ten honors and Emma Stevenson to the Big Ten All-Championship Team. The Hawkeyes hosted the Big Ten Championships drawing a season-high attendance figure of 1,661. Stevenson scored a 9.875 on the floor exercise, and Iowa finished seventh as a team. Libby led the Hawkeyes to a fifth-consecutive NCAA postseason appearance. Iowa posted 194.600 and finished fifth at the Seattle Regional.

The Hawkeyes raised the streak to four-straight NCAA appearances in 2011 with a fifth place finish at the Corvallis Regional. This coming after a sixth place finish at the Big Ten Championships, and an overall season record of 11-6. Libby coached three All-Big Ten selections in Rebecca Simbhudas, Houry Gebeshian and Jessa Hansen. Simbhudas and Gebeshian also made individual appearances at the NCAA Championships as Simbhudas was named North Central Region Gymnast of the Year.

Libby led Iowa to a third place finish at the 2010 Big Ten Championships, its best finish in six years. On top of another NCAA Regional berth, Libby also coached Houry Gebeshian to a Big Ten title on beam, just the second in program history. Gebeshian, Jessa Hansen and Rebecca Simbhudas were selected to the All-Big Ten team. Additionally, Simbhudas qualified as an individual for the NCAA Championships and earned All-American honors on beam.

In 2009, Libby led her squad to a 10-5 record and was named North Central Region Coach of the Year. Under her guidance, the GymHawks made accomplishments. The Whitby Sports Council, the hometown where Libby began her outstanding career, selected Libby to be inducted into the Whitby Sports Hall of Fame, an honor bestowed on some of Canada's greatest athletes.

In 2008, Libby coached the Hawkeyes to their first NCAA appearance since 2005 and a fifth place finish in the Big Ten Conference. In addition to the multiple team and staff honors, Libby also saw several GymHawks achieve standout seasons during the 2008 season. Jenifer Simbhudas was named first team All-Big Ten and Big Ten Gymnast of the Week twice. The accomplishments came off of the competitive floor as well. Five GymHawks were named Academic All-Big Ten and seven were named academic All-Americans.

In 2007, Libby led the Hawkeyes to a number of individual records. Katie Burke earned career-highs on vault, bars, floor, and in the all-around, ending a highly successful season with an NCAA Championship appearance. Kara Pinjuv, Jenifer Simbhudas, and Katie Turcotte all qualified to NCAA Regional competition. In addition to their NCAA success, Burke earned first team All-Big Ten honors, while Pinjuv, Turcotte, and Simbhudas all earned second team honors.

Prior to the 2007 season, Libby played a role in the Hawkeyes' six consecutive seasons of NCAA Regional competition (2000-2005) and coached seniors Liz Grajewski and Kortny Williamson, as well as junior Danielle Legeai to individual regional competition in 2006.

As the Hawkeyes' choreographer and beam coach, Libby has made a lasting impact. The top 10 school records on beam have all been under her guidance, including the school record, 49.425, accomplished in 2004 at Illinois State. In 2004, the GymHawks recorded a 49.0 or higher seven times on beam.

Before becoming the UI head coach, Libby served as associate head coach for one season and assistant coach for the previous three seasons.

Before joining the Hawkeyes, Libby served four years as the assistant women's coach at Louisiana State University, her alma mater. While at LSU, she produced nine beam All-Americans, the top-ranked beam team in 1999 and helped coach LSU to four consecutive NCAA championship team appearances.

As a competitive gymnast in her home country of Canada, Libby burst onto the scene at age 11, quickly becoming a junior national champion and a senior national champion shortly after. A member of the 1987 and 1989 Canadian world championship teams, Libby led the Canadian team to its best-ever sixth-place finish, placing 18th in the world in the all-around and becoming Canada's first ever world vault finalist. Along with world recognition, Libby was also a member of the Canadian Olympic team in 1988. She has earned over 30 international individual and event medals and was honored as the Canadian Gymnast of the Year in 1989 and 1990. In 2006, Libby was honored for her many national and international accomplishments. The Whitby Sports Council, the hometown where Libby began her outstanding career, selected Libby to be inducted into the Whitby Sports Hall of Fame, an honor bestowed on some of Canada's greatest athletes.

Originally from Pickering, Canada, Libby was a collegiate gymnast at Louisiana State University. She was a four-year team captain and the Central Region bar champion in 1995. Libby graduated from LSU in 1996, with a Bachelor of Science degree in psychology and a minor in French. Her husband, Chad, is the program director of athletic training at Coe College. The couple has two daughters, Taylor and Bailey.

CALEB PHILLIPS
ASSISTANT COACH
SIXTH SEASON

Caleb Phillips is in his sixth year as an assistant coach at the University of Iowa in 2014-15.

Phillips served as an assistant coach for the Hawkeyes from 2008-13, before leaving to pursue a career outside of coaching, and relocating with his family to Utah. He returned to the program in the fall of 2014.

"We are elated that Caleb has returned to Hawkeye Nation," said Libby. "His infectious personality and enthusiasm for the team and Iowa in general has been missed. The atmosphere surrounding the team since his return is electric and I am excited to work with him again."

"It is great to be back in Iowa," said Phillips. "I had the opportunity to try my hand at something else and fortunately it was short lived. Coaching is what I do, it's what I am and it's what I love. I feel blessed with the opportunity to come back to the Hawkeye family and do what I absolutely love and have a passion for. The next step is to make some waves in the Big Ten and show people just how strong this team and program can be."

Phillips was responsible for the uneven bars squad during his first stint at Iowa, which was consistently ranked in the top 20 in the country. In 2013, Phillips led the bar squad to a 49.115 NCAA Regional Qualifying Score, ranking 16th nationally. In 2012, Phillips coached the bar team to a 49.100 Regional Qualifying Score, ranking 13th nationally.

The Hawkeyes have received NCAA postseason berths every year he has been on staff. Additionally, Phillips has helped coach two Hawkeye gymnasts, Houry Gebeshian and Rebecca Simbhudas, to NCAA Championship appearances.

In 2011, Phillips was named the North Central Region Assistant Co-Coach of the Year with fellow assistant Linas Gaveika. Under Phillips' guidance, Gebeshian, Jessa Hansen and Simbhudas were selected to the All-Big Ten team.

With the help of Phillips, Iowa placed third at the Big Ten Championships in 2010, its best finish in six years. Gebeshian, Hansen and Simbhudas took home All-Big Ten honors, and Gebeshian won the Big Ten beam title, just the second in program history.

Prior to joining the Iowa staff, Phillips spent four years as an assistant coach at Southern Utah. He helped lead Southern Utah to two NCAA Regional appearances and helped send two competitors to NCAA Championships -- Leah Sakhitab in 2005 and Elise Wheeler in 2008. Phillips coached three athletes to NCAA Regionals in 2006 and four in 2007.

Phillips has a Bachelor's degree in psychology from Southern Utah. He and his wife, Ashley, have two children -- Cable and Beck.

JENNIFER GREEN
ASSISTANT COACH
FIRST SEASON

Jennifer Green is in her first year as an assistant coach on the University of Iowa women's gymnastics staff.

"I could not be more excited to become part of the Hawkeye nation," said Green. "The team and coaching staff perform at the highest level, and I am honored to be a part of the Iowa gymnastics program. I am thankful to coach Libby and the administration for giving me this opportunity to continue my dream of coaching at the collegiate level. The strength of the program and high level of academic performance at the University of Iowa makes this a very exciting time for me."

"We are thrilled to have Jennifer join our staff," said UI head coach Larissa Libby. "Her knowledge and experience, coupled with her enthusiasm, are going to be tremendous additions to the Hawkeye way. We searched long and hard to find the perfect fit. For the staff, team, and Iowa's philosophy, we could not have found a better person."

Green comes to Iowa after serving as an assistant coach at the University of Missouri for two years where her specific responsibilities included choreographing and coaching beam.

Prior to her stint in Columbia, Green spent four years as recreational director and beam and floor coach at Elite Gymnastics Club in Lenexa, Kansas, before moving on to Kansas Gymnastics and Cheer, where she spent 12 years as the beam and floor coach. She has also coached numerous athletes to USA Gymnastics Western Nationals and Level 10 Junior Olympic Nationals, and several earned state, regional and national titles.

Green holds a bachelor's degree in management and human relations from Mid America Nazarene University and a master's degree in educational, school and counseling psychology from the University of Missouri.

Green competed at the elite level before continuing her career as a gymnast for LSU, where she was honored as an all-conference athlete (SEC) and an NCAA All-American.

Green has four children, Taylor, Matt, Jackson, and Bailey.

SYDNEY HOERR
ALL-AROUND
SENIOR
BLOOMINGTON, ILL.

GETTING TO KNOW SYDNEY

My first gymnastics memory: During my first gymnastics meet I completely forgot my beam routine so my coach had to stand next to the beam and walk me through my entire routine. I remember getting a green ribbon because of this and crying the rest of the meet. Looking back now I find this truly hilarious!

Most prized possession: My family

Favorite place in Iowa City: Café Crema, which is the cutest little coffee shop ever!

Favorite movie: *How To Lose A Guy In 10 Days*

Favorite music: Country music

2014... Named second team All-Big Ten... Academic All-Big Ten honoree... selected to NCAA Regionals as an all-around competitor, posting a 38.700... registered Iowa's individual season bests on the uneven bars (9.900 at Iowa State, March 7) and floor exercise (9.875 at Georgia, Jan. 20)... competed in all 12 meets while competing in the all-around in seven competitions... named to the 2014 Big Ten Gymnasts to Watch List in December... led Iowa on the bars with a regional qualifying score of 9.855, tying for 54th nationally.

CAITLIN TANZER

BARS, BEAM, FLOOR
SENIOR
NAPERVILLE, ILL.

2014... Academic All-Big Ten honoree... competed in eight meets, six on floor and two on beam... season best of 9.725 on floor was registered at Georgia (1/20), while the 9.750 on beam was posted at the Big Ten Quad Meet against Michigan, Minnesota, and Penn State on March 15.

2013... Competed on beam in the last six meets of the season... earned a season-best 9.725 in win against Minnesota for seventh place.

HIGH SCHOOL... Two-time Level 10 Regional Championship qualifier and three-time Level 10 State Championship qualifier... placed eighth in the all-around at the 2007 Level 9 Eastern National Championships... competed for Arena Gymnastics under coaches Dan and Beth Miller... received "Hardest Worker Award" twice and "Most Supportive Award" by her gymnastics club.

PERSONAL... Born on 10/1/92... parents are Ray and Deb Tanzer... has one brother, Ryan Tanzer... integrated physiology major.

GETTING TO KNOW CAITLIN

My first gymnastics memory: In my first gymnastics competition, we started on beam. I went up first, fell three or four times, and finished my routine scoring a whopping 6.25. The best part is that throughout my entire routine I had a smile plastered on my face as if I was about to score a perfect 10! Safe to say, I've loved this sport from day 1.

Favorite place in Iowa City: My favorite place in Iowa City is the Pentacrest or walking along the paths down by the river.

Prized possession: The collection of pictures in my room of family, friends, and memories that constantly remind me of how lucky I am to be where I'm at today.

Favorite movie: *The Hunger Games*

Favorite music: Country music

I want to visit: I really want to go to Australia, and maybe even travel the world for a year after college.

Why the University of Iowa: Iowa is highly ranked for academics and has a beautiful campus which initially drew me in, but the team and coaches of the gymnastics program are what sealed the deal for me. If I had to do it all over again, I wouldn't change a thing.

Favorite professional athlete: Jonathan Toews on the Chicago Blackhawks.

Most memorable gymnastics moment: After taking 2 years off, I came back and competed as a GymHawk for the first time against Minnesota live on the Big Ten Network and nailed my routine with a stuck dismount - it made every moment worth it.

2015 season goal: Being a senior this year, my goal is to enjoy every single moment and contribute in any way I can to better our team.

The University of Iowa women's gymnastics team takes great pride in being able to give back to the Iowa City community and participate in various community service activities. In conjunction with several activities, the team selects one major cause to be involved with. For the fourth consecutive year, the GymHawks put their efforts behind the Ponseti races, with the proceeds going to clubfoot research. The team also helped build a haunted house for local youth. The GymHawks are always one of the first to jump at an opportunity to help others.

Iowa City is a media saturated environment. With no professional teams in the area, the Hawkeyes garner extensive coverage from newspapers, television and the Internet.

TWITTER

A member of the Iowa gymnastics staff offers interactive content live from every event throughout the season via the official Iowa Gymnastics Twitter account, @IowaGymnastics. This feature provides diehard Hawkeye fans up-to-the-minute play-by-play, notes and stats about the meet and GymHawks. The Twitter feed begins approximately 15 minutes before each competition and runs throughout the meet.

TELEVISION

With the launch of the Big Ten Network, the Big Ten is the only conference in the country that has its own national network devoted to Big Ten programming. In addition to the Big Ten Network, the Hawkeyes have had meets on CSTV and Mediacom the past couple seasons.

HAWKEYESPORTS.COM

Media and fans can also obtain a wealth of up-to-date information about the Hawkeyes on the official web site of the University of Iowa -- hawkeyesports.com. Live stats (gametracker), box scores, play-by-play, photo galleries, coach and bio information, video, and more can be found on the web site. The gymnastics team also has its own Facebook and Twitter site.

NEWSPAPER COVERAGE

Fans can also read about Hawkeye action in several newspapers/web sites throughout the state of Iowa. A few of the papers that cover the Hawkeyes on a regular basis include: The *Des Moines Register*, the *Iowa City Press-Citizen*, the *Cedar Rapids Gazette*, the *Quad City Times*, *The Daily Iowan*, the *Voice of The Hawkeyes*, the

Burlington Hawkeye, the Waterloo Courier, and the Moline Dispatch.

Last season, the Gymhawks appeared on the Big Ten Network on three occasions. Big Ten gymnastics can be seen worldwide in high-definition (HD) on BTN and on BTN.com.

In June 2006, the Big Ten announced the creation of the Big Ten Network, a national network devoted to Big Ten athletic and academic programs. Available to all cable and satellite providers nationwide, with most programs offered in stunning high-definition television (HDTV), the network allows fans to see their home teams, regardless of where they live.

The Network currently has agreements with more than 250 affiliates, including AT&T U-Verse, Charter, Comcast, Cox (Cleveland), DirecTV, DISH Network, Insight, Mediacom, Time Warner Cable and Verizon FiOS. Available to approximately 70 million households nationwide, the Big Ten Network is the first nationally distributed network dedicated to covering one of the premier collegiate conferences in the country. With approximately 350 live events, and nearly all of them in high definition, the network is the ultimate destination for Big Ten fans and alumni across the country, allowing them to see their favorite teams, regardless of where they live.

The network operates 24 hours a day, 365 days a year, showcasing a wide array of classic-to-current sports and televising more Olympic sporting events and women's sports than has ever been aired on any other network.

GARY BARTA
ATHLETICS DIRECTOR

Now in his eighth year as director of athletics at the University of Iowa, Gary Barta continues to provide the UI's more than 600 student-athletes, in addition to more than 225 coaches, administrators and support staff, the strong leadership and strategic vision that is the foundation for the Hawkeyes' success both today and in the future.

Barta often notes, "Hope is not a strategy," and evidence of his commitment to planning and execution is his second strategic plan for the UI Athletics Department. The latest

"road map" addresses the next five years for the Hawkeyes and is built on the same core tenets contained in the first: Win. Graduate. Do it right.

The Hawkeyes are coming off a 2012-13 athletics year that saw eight programs participate in national championship competition, a record-setting year in terms of graduation rates – 77 percent, and steady progress in terms of facility improvements, highlighted by the opening of the new indoor practice facility for the UI's football program and the Hoak Family Golf Complex at Finkbine Golf Course, home of the Hawkeyes' men's and women's golf programs.

Under Barta's direction, the UI will continue to put into place the infrastructure that will provide the foundation for competitive success. The 2012-13 basketball season provides an outstanding example of the impact state-of-the-art facilities can have on a program. Boosted by a new practice facility and an enhanced strength and conditioning facility – two pieces of Barta's first strategic plan for the UI – Fran McCaffery's Iowa men's basketball team won 25 games and advanced to the championship game of the 2013 National Invitation Tournament. Lisa Bluder's Iowa women's basketball team earned its sixth consecutive invitation to the NCAA Tournament.

Another example of investments made under Barta's direction that have helped Iowa turn the corner competitively is the UI men's golf program. Barta increased his commitment to the sport when he hired native Iowan Mark Hankins, who had a vision for the program that included a new practice facility. Barta, Hankins and the Hawkeyes celebrated the opening of the new \$6 million Hoak Family Golf Complex in February, just three months before Hankins' nationally ranked squad made its fifth straight appearance in the national regional championships.

Women's basketball and men's golf are two of the eight UI programs that participated in national championship competition in 2012-13. At the top of the list was Tom Brands' wrestling program, which crowned one national champion, had four wrestlers earn All-America honors, and finished fourth nationally at the end of a season that included a Big Ten Conference Dual Meet championship.

JD Reive's men's gymnastics team had three individuals earn All-America honors after finishing fifth at the national meet. Larissa Libby's women's gymnastics program advanced to NCAA regional competition for the sixth straight season.

The Iowa field hockey program under the direction of Tracy Greisbaum advanced to its sixth NCAA Tournament over the last nine years and 22nd in school history – a total that ranks No. 1 among the Hawkeyes' Big Ten Conference peers. Two Hawkeyes were named All-Americans.

Iowa's 200 and 400 medley relay teams and backstroker Grant Betulius earned All-America honors while leading Marc Long's men's swimming and diving team to a 32nd place at the national championship. Larry Wiecek's UI track and field program crowned eight All-Americans en route to placing 35th at the national outdoor championship.

Interest in the Hawkeyes continues to soar. Sellouts for home games of the football team at historic Kinnick Stadium and a waiting list for access to the premium seating areas inside the Paul W. Brechler Press Box are the norm. So, too, is Iowa leading the country in attendance at home wrestling events – Iowa averaged just under 9,000 fans per home dual match in 2012-13 – and being ranked among the nation's Top 20 in attendance in women's basketball.

Success on the court has also resulted in spinning turnstiles for home games of the UI men's basketball team. The Hawkeyes' run to New York City's Madison Square Garden and the NIT championship game included a pair of sold out games on Mediacom Court in 15,400-seat Carver-Hawkeye Arena. Those two sellouts, paired with three regular season sellouts, helped to push Iowa's total average per game to 13,625, an improvement of more than 1,700 per game that has pushed the Hawkeyes into the nation's Top 25 in per game attendance.

Under Barta's leadership, Iowa has also embraced new technologies and that, too, has paid dividends: Iowa ranks among the nation's Top 10 in Facebook "friends" and Twitter "followers." The UI also delivers Hawk Talk Daily, a daily e-newsletter, and Hawk Talk Monthly, a monthly e-magazine, to more than 70,000 friends of the UI and fans of the Hawkeyes to complement the news, information, video and photography available on hawkeyesports.com, the official world wide web site of the Iowa Hawkeyes and the UI's anchor in the digital world.

Academically, Iowa continues to achieve at a pace that sets the bar across the state and competes favorably with its peers in the Big Ten Conference. UI student-athletes set new records for academic achievement, according to data released by the NCAA in October 2012, as part of its annual report on the work in the classroom by student-athletes across the country.

Student-athletes that entered the UI in the fall of 2005 graduated at a rate of 77 percent, an all-time record for the Hawkeyes. That mark – which uses the federal government benchmark for graduation success – is three points better than the 2011 report when Iowa tied the previous school record of 74 percent set first in 1994-95. It is also six points better than the UI student body and 12 points better than that achieved all by student-athletes nationally.

The UI also set a new record by posting a score of 87 percent in the NCAA's "Graduation Success Rate" or GSR, one point better than what was posted the previous year. It marked the seventh time in the eight years of the GSR's existence that Iowa's student-athletes scored 80 percent or better.

The NCAA's Academic Progress Rate report for 2012-13 revealed that for the fourth consecutive year all of Iowa's 24 sports programs were comfortably above the 930 threshold that signals a red flag for the NCAA. The highlights of Iowa's report include APR's for 18 of Iowa's programs that were better than the national average in that sport, including football, men's basketball and wrestling. The APR for Iowa's football program – 961 – was an all-time best.

As noted, Barta has been the driving force behind substantial investments in the facilities used by Iowa's talented male and female student-athletes. When the Iowa football program moves into its new \$54 million operations center in late summer 2014, the UI will have completed more than \$220 million of construction and renovation work over the previous eight years.

That list of projects includes a \$47 million facelift and addition to Iowa's award-winning Carver-Hawkeye Arena, a project that directly impacted 23 of Iowa's 24 sports programs, two phases of improvements to the facilities used daily by Iowa's football program – construction of a new indoor

practice facility and renovation of the Kenyon Outdoor Practice facility in Phase I, and construction of a state-of-the-art operations center in Phase II, a \$9 million investment in scoreboards, ribbon boards, and video walls at historic Kinnick Stadium, construction of the aforementioned \$6 million Hoak Family Golf Complex at Iowa's award-winning Finkbine Golf Course, turf replacement at Grant Field, the home of Iowa's nationally ranked field hockey program, resurfacing of the courts at the Klotz Tennis Center, the home of Iowa's men's and women's tennis programs, and the construction of a new indoor turf facility.

On the horizon for Barta, from a facilities perspective, is the planning and construction of the "Hawkeye Campus." Located on the western edge of the UI campus, immediately west of Finkbine Golf Course and adjacent to the UI's Athletics Hall of Fame, the practice and competition sites for Iowa's soccer and field hockey programs, and the UI Sports Medicine Clinic, and near the UI's Ashton Cross Country Course, the Hawkeye Campus is envisioned to be the new home for Iowa's track and field, softball, and baseball programs.

Barta is a member of the President's Cabinet, comprised of vice presidents and other campus leaders that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams.

The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (15) and a daughter, Madison (13). He was born Sept. 4, 1963, in Minneapolis.

IOWA CONTINUES TO BUILD FOR SUCCESS

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2013-14.

Academically, the UI's federal graduation rate of 72 percent (for student-athletes who enrolled in the fall of 2006), meaning UI student-athletes have graduated at a rate of 70 percent or better in four of the last five years. That mark was two points better than the UI student body and seven points better than achieved by student-athletes nationally. For the fifth consecutive year, all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark and the program posted a record 88 percent in the NCAA's "Graduation Success Rate." It is the eighth time in nine years of the GSR's existence that Iowa's student-athletes scored 80 percent or better.

Athletically, Hawkeye teams enjoyed another outstanding year in 2013-14, as a significant number of Iowa's 24 programs reached postseason play. The Iowa football team played in the 2014 Outback Bowl, the UI men's basketball team advanced to the NCAA Tournament for the first time since 2006, the women's basketball team competed in the NCAA Tournament for the seventh straight season and the wrestling team finished fourth at the NCAA Championships.

In March 2014, the UI rolled out the new AstroTurf infield playing surface, marking the beginning of the stadium transformation at Duane Banks Field. The project will continue this fall with the installation of turf in the outfield, a video board and new scoreboard at the facility. Iowa dedicated the 4,200-square foot James M. Hoak Family Golf Complex, a state-of-the-art golf facility in 2013, a project that came on the heels of the completion of a \$47 million revitalization of Carver-Hawkeye Arena in the summer of 2011.

After completing phase I of the project for the UI football program in August, 2012 -- a new indoor practice facility -- the second phase will be finished this fall. Phase II includes construction of the new Iowa Football Operations Center, which will include new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important next phase of the master facilities plan for Hawkeye football.

IOWA FOOTBALL

The Iowa football team posted an 8-5 record in 2013, which included a berth in the 2014 Outback Bowl. The Hawkeyes placed second in the Big Ten's Legends Division and they were one of six BCS conference teams to improve by four victories or more from the 2012 season.

IOWA WOMEN'S BASKETBALL

UI head coach Lisa Bluder guided the Hawkeye women's basketball team to its seventh-straight NCAA Tournament in 2013-14. The Hawkeyes advanced to the Round of 32 following an opening-round victory over Marist and finished 27-9 overall. The 27 victories were tied for the second-most in program history and were the most since 1996. Iowa is the only Big Ten team to appear in seven consecutive NCAA tournaments and one of 14 schools nationally.

Iowa was one of seven schools nationally to have its football team play in a Jan. 1 bowl game and have both its men's and women's basketball teams reach the NCAA Tournament during the 2013-14 school year.

IOWA WRESTLING

The UI wrestling team -- the national attendance leader in each of the last eight seasons -- finished fourth at the NCAA Championships. Five Hawkeyes earned All-America accolades in 2014, including 133-pound national champion Tony Ramos and Derek St. John, who became the 18th Iowa wrestler to be a four-time All-American. Iowa has claimed 23 national championships since 1975 and 34 Big Ten titles in its history.

IOWA WOMEN'S SOCCER

The Iowa soccer team won a school-record 15 contests in 2013, won its first two postseason games in program history en route to the championship game of the Big Ten Tournament and made the program's first-ever NCAA Tournament appearance.

IOWA MEN'S BASKETBALL

Fourth-year head coach Fran McCaffery led Iowa to its second-straight 20-win season and guided the team to the NCAA Tournament -- its first berth since 2006. Guard Roy Devyn Marble earned first-team All-Big Ten recognition and became the first Hawkeye since 2007 to have his name called in the NBA Draft.

IOWA MEN'S GOLF

Head coach Mark Hankins led the Hawkeyes to their sixth-straight NCAA Regional appearance in 2014 and four student-athletes garnered all-region honors. After rounding out his eligibility, Steven Ihm made his professional debut at the John Deere Classic, made the cut and tied for 27th in his first event as a professional.

IOWA BASEBALL

The Iowa baseball team won 30 games -- the most victories since 2010 -- in Rick Heller's first season as head coach. The Hawkeyes advanced to and won a game in the Big Ten Tournament and had five All-Big Ten and two NABC All-Region selections. Three players were selected in the 2014 MLB Draft.

DID YOU KNOW...

45 percent of UI students are from out of state

Ten University of Iowa graduate programs and colleges ranked among the 10 best in the nation.
-U.S. News & World Report's America's Best Graduate Schools, 2013

With over 30,000 students in a city of roughly 75,000, UI offers a different atmosphere than many other universities in the Big Ten or the Midwest.

The unemployment rate in Iowa City (4 %) ranks among the nations' lowest.
 (May, 2012).

Building on a rich tradition of excellence and innovation, the University of Iowa is educating more than 30,000 students annually, preparing them for success immediately following graduation, as well as continued achievements throughout their lives.

The University of Iowa offers more than 100 areas of undergraduate and graduate study, including seven professional degree programs, through its 11 colleges: the colleges of Liberal Arts and Sciences, Business, Dentistry, Education, Engineering, Law, Medicine, Nursing, Pharmacy and Public Health, and the Graduate College. The University also provides on-campus and distance learning opportunities through its division of Continuing Education.

Long recognized as one of the nation's leading centers for the arts, creative writing, space physics, hydraulics, basic health and science research, and communication studies, the University of Iowa is also developing new strengths in informatics, nanoscience, simulation technology, and other fields.

The University of Iowa has maintained its tradition as an innovator with its pioneering work in speech pathology, science and medicine. It's also known internationally for being home of one of the nation's largest public university owned hospitals.

CULTURAL DIVERSITY AT THE UNIVERSITY OF IOWA

The University of Iowa has worked hard to assure that students of all races, creeds, and backgrounds are represented in the student body. In the past five years, Iowa has moved aggressively towards its goal of creating communities of African American, Hispanic/Latino (a), Asian American, and Native American students, and making the University a stimulating, welcoming place.

The Center for Diversity and Enrichment is a coordinated university-wide resource for creating and maintaining this campus diversity and providing opportunities for all University students interested in other cultures. Scholarships, fellowships, and support programs help to make this possible. International Programs brings together scholars from around the world and UI students looking to expand their perspectives by studying abroad or exploring global issues on campus. International students at the University of Iowa represent more than 100 countries.

CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of Iowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, Iowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

Iowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, Iowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

Iowa City is located in the heart of eastern Iowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Omaha, Kansas City, Minneapolis and Milwaukee.

"Iowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit."

"There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake MacBride, north of town. This is an ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."

"If there is a star in Iowa, Iowa City is it."

A CAMPUS ON THE MOVE

The University of Iowa campus caters to pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference.

STUDENT-ORIENTED NIGHT LIFE

Iowa's campus is set right in the city's downtown area, where you'll find dance clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Just over 90 percent of Johnson County residents have graduated from high school, and in Iowa City nearly half of all residents have earned bachelor's degrees. In fact, census statistics indicate Johnson County is the 10th "smartest" county in the nation, based on percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community while enhancing the quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. Regardless of the specific career field, it's important to identify the gymnastics program that places a high priority on academics and allows you to take full advantage of the tremendous educational opportunities available.

At the University of Iowa, student-athletes learn quickly that academic success is the highest priority.

ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic deans and professors, assuring the student-athlete the best possible opportunities to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at Iowa, academic personnel play a large role in the career of Hawkeye student-athletes. Beginning with the on-campus visits, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

THE RUSSELL AND ANN GERDIN ATHLETIC LEARNING CENTER

The University of Iowa Russell and Ann Gerdin Athletic Learning Center opened in the fall of 2003. The Learning Center is a multi-level, 20,000-square foot facility, which provides one all-purpose area for the academic pursuits for Iowa's male and female student-athletes. The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for Iowa's Academic Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

When a student-athlete considers her future, she should consider prospects beyond gymnastics. She should consider where she wants to be five, ten, fifteen years from today, and the best course of action for getting there. Also, she should decide early on to commit to excellence in every challenge undertaken.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of Iowa undergraduates have gone on to become leaders in their chosen fields.

THE HAWKEYE NICKNAME

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.

HERKY THE HAWKEYE

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.
